The Minnesota 100 Club Individual Application

History & Purpose

The Minnesota 100 Club was formed in 1972, established for the purpose of rendering economic assistance to the families of law enforcement, firefighters and other public safety servants who are killed or disabled while engaged in public service and in the employ of any federal agency within the state of Minnesota or any political subdivision thereof.

The 100 Club of Minnesota is the First Responder to the First Responders.

We realize money can never replace the loss or disability of a loved one, but funds can be extremely helpful in easing the financial burden associated with these tragic events. Recipients do not have to be members of the 100 Club to receive benefits.

When you become a 100 Club Member you can be assured your assistance will be one of the first received by those who protect and serve us 24/7 when tragedy strikes.

The Minnesota 100 Club will celebrate its 40th anniversary in 2012 and has paid out over \$387,000 since its inception in 1972.

Enclosed is my check for \$100.00. Please make check payable to the *Minnesota 100 Club*. Please enroll me as an individual supporter of the Minnesota 100 Club.
